PRESBYTERY SUPPORT FOR COMMUNITY GROWTH

TOP TO BOTTOM:

Various leaks and stained ceiling tiles throughout building; torn hallway carpet requiring replacement; back parking lot in need of sealing and striping.

Following a three year-long search for a larger facility, God graciously provided a new building in January 2024 for Community Presbyterian Church (OPC) in Kalamazoo, MI.

In order to make the necessary renovations and accelerate repayment of their building loan, Community has set a total goal of raising \$270K by the end of 2024; the Spring Offering collection will immensely aid them in this endeavor.

Planned improvements include:

- Installation of new HVAC rooftop units
- Parking lot repairs
- Updates to handicap accessible restrooms
- Replacing old carpet throughout main floor

HOW TO GIVE:

ONLINE: springoffering.org/give

LOCALLY: Place in offering basket | "Spring Offering" in memo
